PRESS RELEASE

Islamabad. Dated: 20.12.2019

ZTBL Provides Relief to 902 Employees of its Subsidiary Who Applied Through Pakistan Citizen Portal

The hallmark of the present government is that it is redressing the grievances of the common man through Pakistan Citizen Portal setup by the Prime Minister Imran Khan. It is worth mentioning that the benefits of this portal are reaching to the common man serving in any organization regardless of their status in the society, and anyone can directly approach this portal for his or her problems.

Recently, the clerical and non-clerical employees of Kissan Support Services Limited a subsidiary of Zarai Taraqati Bank Limited, got unprecedented relief from this exquisite initiative of Prime Minister in his effort to establish good governance. For long time these employees demanded for rational increase in their salaries as they were drawing minimum wages as this matter was delayed due to various reasons. This prompted the employees to approach the Pakistan Citizen Portal.

When this matter reached the newly appointed President Zarai Taraqati Bank Limited through Pakistan Citizen Portal, he reviewed the matter in Board meeting and issued necessary instructions to the Brigadier(R) Zaheer Ud Din Ahmad Managing Director Kissan Support Services Limited, to make necessary arrangement for enhancing the salaries of clerical and non clerical employees of KSSL, which has been implementing promptly.

Owing to this visionary endeavor of Prime Minister Imran Khan, 902 employees of Kissan Support Services Limited a subsidiary of Zarai Taraqati Bank Limited, which are 25% employees of KSSL, got relief across the board, who appreciated the commitment of present government.

Zarai Taraqati Bank Limited is the only premier financial institution for agriculture sector of Pakistan that has played a pivotal role in transforming the traditional agriculture system into modernized system by introducing reforms and catering the credit requirements in agriculture sector. Rather Zarai Taraqati Bank Limited is also striving under Financial Inclusion Strategy of present government in making advancement in digitalization of payment system, Islamic banking, and installations of automated teller machines, e-credit system and through public private partnership taking practical measures for providing facilities to the farming community.
